

Dear Partners,

Warm greetings from Polytechnique Montréal! We hope our message finds you well. We are pleased to inform you that the [Study in Canada Scholarships \(SCS\)](#) competition is now open and that **Taiwanese students are eligible**.

Scholarship values vary depending on the duration and level of study:

- CAD 10,200 for college, undergraduate or graduate students (Master's and PhD) for a minimum of four months or one academic term of study or research;
- CAD 12,700 for graduate students (Master's and PhD) for a period of five to six months of study or research.

Each year, POLY-MTL is proud to support this program and we highly encourage your students to apply for the Study in Canada Scholarships within ONE of the following three options;

1) Research internship program (conducted in English or French)

2) International Thematic Clusters in Engineering (English)

3) Programme d'échanges internationaux (in FRENCH only)

STUDENTS SEEKING A SCHOLARSHIP MUST:

- Choose ONE of the above Polytechnique Montréal programs and follow the corresponding application/nomination procedure; **AND**
- Apply to the SCS scholarship by following the guidelines and filling out the on-line application form available on the [following link](#) before **March 13, 2022**.

We hope this scholarship program will be of interest to you and your students and we remain available if you have any questions.

Best regards,
